YELYZAVETA KUDELIA

FRONT-END DEVELOPER

PROFILE

I am a Front-End developer with more than 3 years of commercial experience looking for a full-time position in a company that's aimed in making both everyday life and business easier, more productive and user-friendly. I have sound knowledge of HTML, CSS, JavaScript and React. Also, I have hands-on experience in following Agile & Scrum methodology during team-projects. I'm fast learner, responsible and ready for new challenges.
